

End-of-Sale and End-of-Life Announcement for NetVanta USB WWAN Network Interface Module

ADTRAN Inc. announces the end-of-sale and end-of-life for the USB WWAN NIM product effective immediately. The product is no longer available for purchase. The product can no longer be manufactured due to component issues; could no longer support the current USB modems available in the market and could not offer adequate functionality to support the LTE roadmap essential for the product line.

Table 1. Part Numbers Affected by this Announcement

Part Number	Description
