Strategic Sourcing with PREMIER

PREMIER is an original equipment manufacturer of CPE, outside plant and voice / data / video communications products. Established in 1982, PREMIER has provided product solutions for the communications industry for more than 28 years, with an emphasis on providing **Carrier-grade commodity products at competitive prices.**

PREMIER is a strategic sourcing arm for KGP Logistics.

Sourcing
» Established partnerships with more than 50 global manufacturers

» Flexibility to source new products to meet individual customer needs

» Primary sourcing from domestic suppliers and secondary sourcing from offshore suppliers reduce the customer's cost of goods.

Quality
» ISO 9001:2008 and TL 9000 R5.0 certified Quality Management System

» Quality verification during all product fulfillment phases

» RoHS compliant products that meet California Proposition 65

» Deliver quality products backed by a warranty
  • 5-year product warranty on all PREMIER branded products
  • 25-year product warranty on PREMIER Structured Wiring System products

OEM Manufacturing
» Voice / Data / Video / CPE Electronics

» Copper and fiber optic data cables, wiring harnesses and power cords

» Injection molded plastics and assemblies
